My life

People don't try to tell me how to live my life
Don't try to fill me up with false hopes and lies
Show me the truth, they say they'll show the light
Don't try to tell me I'm wrong when I know I'm right

'Cause I don't need it, I don't need it
All I need is choosing my own way of life
'Cause I'm choosing my own way of life

See, I'm mad as hell and I ain't gonna take it
And if you think I am, I think you're fuckin' mistaken
Lock me in but you can't lock me out
Well, you can cut off my tongue
But I'll still scream and shout

Choosing my own way of life, what up?
'Cause I'm choosing my own way of life

But I'd rather have a penny than a heart of gold
And I would rather die young than do as I'm told
I never was one to turn down a fight
I gotta sleep all day
So I can rage, rage, rage all night

Well, I don't need it, I don't need it, all I need is

My destination is my own decision
Living fast is my only religion
I trust no one 'cause I'm no fuckin' fool
Well, I can learn on my own, I don't need no school

Choosing my own way of life, what up now?
Choosing my own way of life, straight out
Choosing my own way of life, ain't it my life?
Choosing my own way of life and I don't need nobody
else
