I wish so hard that I could be just like the one you want
me to
But it doesn't seem to work though I'm trying
I try so hard to do what's right, to be so good to make
you proud
But it never seems to satisfy you
It's just the person that you want it's not the person that
I am
The conflict inside's horrifying

I want so much for you to think of me as a person
That deserves your respect and attention
I wonder if I'll ever do the things you want the way you
want
When I don't even know what I want yet
It's not that I'm rebellin' against the person you are
It's just that I don't know who I am

All I know is it hurts, oh, how it hurts
Oh God, do you know how I'm hurtin'?
There's an emotion in me, there's an emotion in me
Emotion No. 13

Look into my eyes, you'll see, I'm not lying
Emotion No. 13, easy crying
Don't ask me how I know, but I'm dying

Emotion No. 13, blows my mind away
Emotion No. 13, it blows me away

Look into my eyes, you'll see I'm lying
Emotion No. 13, says I'm
Don't ask me how I know, but I think I'm dying
Don't ask me how I know, but I think I'm dying, dying,
dying, dying

All I know is it hurts, oh, how it hurts
Oh God, do you know how I'm hurting?
There's an emotion in me, there's an emotion in me
Emotion No. 13

Look into my eyes, you'll see I'm not lying

Emotion No. 13, feels like I'm dying
