Ah, damn, we got a lot of stupid people  
Doing a lot of stupid things  
Thinking a lot of stupid thoughts  
And if you want to see one, just look in the mirror

Gotta kill Captain Stupid, can't you see him?  
Today we start the new way, we're Suicidal  
Got to kill the old way, we'll make it better  
Won't you join our mission, don't be stupid

Got to kill Captain Stupid  
I gotta kill Captain Stupid

Brothers killing brothers, what up with that?  
Can't you see they're laughing, that ain't funny  
Babies making babies, that ain't love  
You just got screwed over, get some respect

Got to kill Captain Stupid  
Got to kill Captain Stupid  
Got to kill Captain Stupid  
Got to kill Captain Stupid

(Kill him, kill him, kill him)  
Gotta kill Captain Stupid  
(Kill him, kill him, kill him)  
Gotta kill Captain Stupid  
(Kill him, kill him, kill him)  
Gotta kill Captain Stupid  
(Kill him, kill him, kill him)

And I don't understand why  
People be bringin' Captain Stupid in there lives  
Treating him like a super-hero

Glorifying him when he ain't nothing but a super-punk  
And you see, you're the one who's gonna have to stop  
him  
'Cause you're the one that started him

Oh, what's that?  
So, now you say life sucks

Well, ninety-nine percent of it's what you make of it  
So if your life sucks, you suck

What's that crap you're smoking, playing the fool  
Waste your life for nothing, when your something  
What the hell you thinking, mind pollution  
Got to get back control, it's your life fool

Got to kill Captain Stupid  
Got to kill Captain Stupid  
Got to kill Captain Stupid  
Got to kill Captain Stupid

(Kill him, kill him, kill him)  
Gotta kill Captain Stupid  
(Like I gotta, you gotta, we all gotta)  
Gotta kill Captain Stupid  
(Kill him, kill him, kill him)  
Gotta kill Captain Stupid  
(Like I gotta, you gotta, we all gotta, gotta kill Captain  
Stupid)

What's that now?  
Ah, so you're scared to do something about it  
Well, you better be scared not to do something about it

Because if you don't kill Captain Stupid  
Captain Stupid gonna kill you  
Got to kill Captain Stupid, fool
