How Will I Laugh Tomorrow lyrics

Here I sit and watch my world come crumbling down -  
I cry for help, no one's around.  
Silently screaming as I bang my head against the wall -  
It seems like no one cares at all.

Always an emotion,  
But how can I explain -  
How can I explain?  
Kind of like the scent of a rose,  
But you can't explain,  
The same with my pain.  
Caught up in emotion,  
Goes over my head -  
Goes over my head.  
Sometimes I got to think to myself,  
Is this life or death,  
Am I living or am I dead?

The clock keeps ticking,  
But nothing else seems to change -  
Problems never solved just rearranged.  
And then I think about all the times that I've had -  
Some were good, most were bad.

I search for personality  
And I look for things I cannot see.  
Love and peace flash through my mind,  
Pain and hate is all I find.  
Find no hope in nothing new,  
And I never had a dream come true.  
Lies and hate and agony -  
Through my eyes it's all I see.

If I'm gonna cry -  
Will you wipe away my tears?  
If I'm gonna die -  
Lord please take away my fear.  
Before I drown in sorrow -  
Well I just wanna say...  
How will I laugh tomorrow,

When I can't even smile today?

Today, today, today.  
When I can't even smile today -  
Today today, today.  
When I can't even smile today -  
How will I laugh tomorrow -  
When I can't even smile today?  
How will I laugh tomorrow -  
When I can't even smile today?

You think something's FunnyÂ.....?  
Laugh at this!

So when I look outside my room,  
I see the world but not the reason.  
What it's done to me's not fair,  
You call it fate, I call it treason.  
But I know not what to do,  
Give me a sign I'll take whatever.  
But if you want me, here I am.  
Ain't gonna cry forever.

And I tried to hold ya -  
But you just turned away.  
And I tried to tell ya -  
But not a word I say.  
I cried, "I'm so lonely." -  
But you just covered your ears.  
I gave you all the signs -  
But you ignored my tears.

So if you want me,  
Here I am -  
I sit here waiting for your decision.  
But my body fights my mind -  
They're heading straight for a collision.  
So what am I gonna do -  
If I'm still looking in all the wrong places?  
But the only thing that seems to change,  
Are the looks on their faces....

Doesn't anyone...?  
Seems like no one cares at all.  
I search for personality  
And I look for things I cannot see.  
(Does anyone even care at all?)  
Love and peace flash through my mind -  
Pain and hate is all I find.  
(Seems like care at all.)  
Find no hope in nothing new,

And I never had a dream come true.  
(Does anyone even care at all?)  
Lies and hate and agony -  
Through my eyes it's all I see.  
(No one cares at all.)

How will I laugh tomorrow?  
How will I laugh tomorrow?  
How will I laugh tomorrow?  
How will I laugh tomorrow?  
When I can't smile today -  
Today, today, today.  
When I can't smile today -  
Today, today, today.  
When I can't smile today.  
How will I laugh tomorrow?  
When I can't smile today.  
How will I laugh tomorrow?  
When I can't smile today.
