[Mike Muir]

What's he saying?

Yeah...just...a little...closer...

What's he doing?

It was, I know, by the corner...yeah  
Sitting in the darkness...yeah  
I didn't see it, but I know  
It tries to hide sometimes, he he he  
But it can't fool me...no  
Because I had this thing, it's the way I see  
The way I see when my eyes are closed  
A consception of misconception  
It's really quite, shall we say...  
The really beautiful thing!  
This is certain things that I've come to find  
In my communications that never existed  
Certain understandings that I've come to realize...yeah  
But I don't believe it...no  
Not for second!  
It wasn't really truthful in the ways that I, that I, that I,  
that...  
They're here right now...yeah

I wasn't meant to feel this...  
I wasn't meant to feel this...  
I wasn't meant to feel this way

I wasn't meant to feel this...

...

Counting on nothing.....Uuuuuuuh...  
The numbers get higher.....Ai ai ai ai ai...  
Blinded by reason.....Uuuh ah uuuh ah...  
You're asleep at the wheel.....Yeeeeeeea...

Ai ai ai ai ai ai ai...

Ai ai ai ai ai ai ai...

Confused understanding.....  
With a slip...for the hold.....Ai ai ai ai ai...  
Squeeze past the pressure.....  
You're asleep at the wheel.....

A magical moment  
Is it...too much of a good thing  
Recycled in memory  
Was it...too much of a good thing  
Why can't you remember  
Is it...too much of a good thing  
Preserved in its danger  
You're all asleep at the wheel...

Blank stare and a whisper, blank stare and a whisper  
But who are the judges, who are you judging?  
I thought you'd be different, I thought you'd be  
different  
You're all asleep at the wheel, you're asleep at the  
wheel

A special assignment  
Is it...too much of a good thing  
Unlocked under pressure  
Was it...too much of a good thing  
Confined unforgiveness  
Is it...too much of a good thing  
A new kind of danger  
You're all asleep at the wheel...

Ai ai ai ai ai ai ai...  
Ai ai ai ai ai ai ai...

Hope in revision.....Uuuuuuh...  
Slight miscalculation.....Ai ai ai ai ai...  
It all goes in stages.....Uuuh ah uuuh ah...  
You're asleep at the wheel.....Yeeeeeeea...

Ai ai ai ai ai ai ai...  
Ai ai ai ai ai ai ai...

Ai ai ai ai ai ai ai...  
Ai ai ai ai ai ai ai...

A blank stare and a whisper....  
I thought you were different...  
But who are you judging.....  
I thought you were different...

You're asleep at the wheel...
