There's a cold wind in the winter of my mind
A season that lasts through all changes in time
I try so hard sometimes
I wish there was a raincheck on tomorrow
Not ready to deal with what I don't wanna find

Struggling along, just to hold on
I just wanna know why is it me

In a tear there is a message from heart
Detached from good it's the hope gone astray
I cry so hard sometimes
Too scared to think what will bring tomorrow
already much more than I can handle today

I can't breathe, suffocate as I'm buried by hate
And so sadly I learn there's no justice to fate
I just wanna know why is it me
Losing the race with thoughts out of place
I just wanna know why is it me

You ain't got a monopoly on sorrow
You know plenty has made it my way
You ain't got a monopoly on sorrow
There's plenty that feel just the same

There's a pain so insane that I fight but can't tame

And my mind battles on as my body lies lame
I can't feel the feel but it feels like it hurts
I can't feel the feel but it feels like it hurts
I can't feel the feel but it feels like it hurts
Hurts hurts
And I know that I know I don't know if I know if
It just would stay clear then I'd see and I'd go
I just wanna know why it's me
Ain't got a monopoly on sorrow

You, you, you ain't got no no, you ain't got no no
You ain't got no no, you ain't got no no
There's no monopoly on sorrow
No monopoly on sorrow

No monopoly on sorrow
No monopoly on sorrow no no

You ain't got no no no, you ain't got no no no
You ain7t got no no no, you ain't got no no no
No monopoly on sorrow
Monopoly on sorrow
Monopoly on sorrow
No no no no no
Yo ain't got no, no no no no
You ain't got no, no no no no
You ain7t got no, no no no no
You ain7t got no monopoly on sorrow
