No bullshit, no bullshit
No bullshit, no bullshit
No bullshit, no bullshit
No bullshit, no bullshit

I hate this things you believe
Your truth is built upon lies
I can't believe in a trend
I won't be living, no lie

No bullshit, no bullshit
No bullshit, no bullshit

I hate everything you say
I ain't got time for your shit
I refused to be played
I won't be living, no lie

No bullshit
That's where I stand
No bullshit
That's how I'm living my life
That's how I'm living my life
That's how I'm living my life
That's how I'm living my life
That's how I'm living my life
That's how I'm living my life
That's how I'm living my life

No bullshit, no bullshit
No bullshit, no bullshit
No bullshit, no bullshit
No bullshit, no bullshit

I hate the way that you are
I can't believe in your ways
I refuse to be him
I won't be living your lie

No bullshit
That's where I stand
No bullshit

That's how I'm living my life
That's how I'm living my life
That's how I'm living my life
That's how I'm living my life
That's how I'm living my life
That's how I'm living my life
That's how I'm living my life
That's how I'm living my life

No bull shit
