You talk your shit, but I ain't listenin'  
And I don't do, no ass kissin'  
Now here's the point that you've been missin'  
No fuck'n problem at all

Ain't got no fuck'n problem  
Ain't got no fuck'n problem at all  
I got no fuck'n problem  
I got no fuck'n problem at all

You ain't alive, if you ain't livin'  
You waste your life whining and sniveling  
So buckle up 'cause now I'm driving  
No fuck'n problem at all

Ain't got no fuck'n problem  
I got no fuck'n problem at all  
Ain't got no fuck'n problem  
I got no fuck'n problem at all

No fuck'n problem at all  
No fuck'n problem

You think you know everything and more  
But a surprise you'll be in for  
Add it all up and you got no score  
No fuck'n problem at all

You play the part that I got no use  
Don't mean a thing 'cause you got no juice  
I live in peace, I don't need a truce  
No fuck'n problem at all

No fuck'n problem at all  
No fuck'n problem at all  
No fuck'n problem at all  
No fuck'n problem

I got a piece but not to the puzzle  
No time to think staring down a muzzle  
I rise above and watch you fizzle  
No fuck'n problem at all
