Suicidal Tendencies
"Pledge Your Allegiance"

ST, ST, ST, ST,

I never said, "I don't like religion, I just don't like TV"
You say, "I got a bad attitude around you that comes
naturally"
You say, "I need more compassion, I can forgive, I just
can't forget"
You say, "Control my temper but when I feel like shit, I
feel like shit"

'Cause I was born to be, ST
And I'll always be, ST
Don't get down on me, ST
'Cause I'm down OG, ST

Why can't I ask any questions if what you say is true
Am I supposed to believe everything or just everything
said by you?
And how can you call me stupid when you don't
understand what I say?
And how can you call me evil, have you spoken to God
today?
And what did he say?

'Cause I was born to be, ST
And I'll always be, ST
Don't get down on me, ST
'Cause I'm down OG, ST
Not afraid to die, ST
Just you promise me, ST
You got to carry on, ST
You gotta carry on, ST

As long as your heart beats
Pledge your allegiance
ST, ST, ST, ST,

You can call me ugly but I still dress the way I choose
How you gonna judge me, you've never taken a walk in
my shoes?
Why don't you ever trust me when I'm smiling, is it a sin
to have fun?

And why should I repent when there's nothin' wrong
with anything
That I've done

'Cause I was born to be, ST
And I'll always be, ST
Don't get down on me, ST
'Cause I'm down OG, ST
Not afraid to die, ST
Just you promise me, ST
You got to carry on, ST
You gotta carry on, ST

Pledge your allegiance
Pledge your allegiance
Pledge your allegiance
Pledge your allegiance

Pledge your allegiance
Pledge your allegiance
Pledge your allegiance
Pledge your allegiance
