I hate Pop Songs  
They think they're clever, I think they're wrong  
I hate bubble gum punk  
They got the look but the music is junk

I hate anyone that savors  
The foul stench of this months flavor  
And hell is a place that you can go  
If you like disco or techno

Pop songs  
Pop songs  
Pop songs  
Pop songs

Hi boys and girls  
come on and get happy

I hate Puff Daddy  
And his friend the dead fatty  
I hate the grateful dead  
But I'll be grateful when the rest of them are dead

I feel like I'm on pins and needles  
How many bands can rip off the Beatles?  
And every day there is another  
Band that got big by playing a cover

I hate pop songs  
I hate pop songs

I hate pop songs  
I hate pop songs

lala, lala, lalalalalalalala

I hate Celine Dion  
Titanic Song makes me wanna moan  
And if I hear another love ballad  
I think I'm gonna have to toss my salad and

I hate teen idols

they got signed by old farts with fancy titles  
There's nothing worse at least to me  
Than stupid lyrics with a lame ass melody

I hate pop songs, pop songs  
I hate pop songs, pop songs  
I hate pop songs, pop songs  
I hate pop songs, pop songs

Pop songs, I hate pop songs  
Pop songs, I hate pop songs
