Sometimes I wish my head would just explode!

Self-self-self, I wanna...  
Self-self-self, I gotta...  
Self-self-self, I'm gonna... self destruct!

Self-self-self, I wanna...  
Self-self-self, I gotta...  
Self-self-self, I'm gonna... self destruct!

I can't fight this urge, to self destruct!  
I can't seem to stop this urge, to self destruct!

Self destruct!  
Self destruct!  
Self destruct!  
Self destruct!

I got the urge to self destruct!  
I need the urge to self destruct!  
I got the urge to self destruct!  
Can't stop the urge to self destruct!

Self-self-self, I wanna...  
Self-self-self, I gotta...  
Self-self-self, I'm gonna... self destruct!

I can't fight this urge, to self destruct!  
I can't seem to stop this urge, to self destruct!

Self destruct!  
Self destruct!  
Self destruct!  
Self destruct!

I got the urge to self destruct!  
I fight the urge to self destruct!  
I got the urge to self destruct!  
Can't stop this urge to self destruct!

Where is the sunshine of my mind?  
There is no sunshine in my mind!

How can I be everything to everyone?  
Where is the sunshine of my mind?  
When I don't want to be anything to anyone!  
There is no sunshine in my mind!

I just wanna make the pounding in my head freakin'  
stop!

Self-self-self, self destruct!  
Self-self-self, self destruct!  
Self-self-self, I wanna... self destruct!

I can't fight this urge, to self destruct!  
I can't seem to stop this urge, to self destruct!

Self destruct!  
Self destruct!  
Self destruct!  
Self destruct!

I got the urge to self destruct!  
Can't fight this urge to self destruct!  
I got the urge to self destruct!  
Can't stop this urge to self destruct!

Self destruct!  
Self destruct!  
Self de-struct!  
Self destruct!

No...
