Turn the lights down? I think that I lost something

Ya!

Trashingâ€¦ Trashingâ€¦ Thrashingâ€¦ does itâ€¦

Uhha, think it overâ€¦ Uhha, think it overâ€¦  
Uhha, think it overâ€¦ Uhha, think I think I think I got

Pullâ€¦ Pullâ€¦ Pullâ€¦ P-P-P-P-P-P-Suicyco Mania  
(Mania-Mania-Mania)

Don't you talk about Lord and then don't go down with  
me, then don't go down with me  
Don't you talk about Lord, love, you give yourself to  
me, at least for me  
carry the keys, gonna set you free, going near

Getting closer, why can't you see when you ah, when  
you're down on me?  
I know you're coming with your (Suicyco Mania) You got  
that (Suicyco Mania)  
Go kill 'er (Suicyco Mania) against the (Suicyco Mania)

Corridorâ€¦ Same ol' tenâ€¦  
It's comin' downâ€¦ so longâ€¦ it's there for you

Gotta get a censor with me, getting it right up for  
speed, Gotta get 'em anymore  
Taking back so much these days, taking him back to  
what's-her-name?  
Taking him in from salty rain  
Then I caught you decimate, get up what you gotta say  
Get up what you gotta dare

(Suicyco Mania)

Feels just like we're being in love when I get you to the  
sky  
Silhouettes have been away  
Breaking down this whiskey can, taking down, it's all

the same  
Getting down, it's all for me  
Peter Piper Pickled Liver, whene'er I go see him surf  
We go back into the due  
We're supposed to let you know, feel like what you  
gotta go  
Feel like what was in a soul

Oohâ€¦Oohâ€¦Oohâ€¦Ooh (Suicyco Mania)

No no no (Wah ha ha ha ha ha)  
No no no no no no no (Ha ha ha ha ha ha)  
Yipe yipe yipe yipe yipe yipe yipe (Ha ha ha ha ha ha)  
Guess again, guess again, guess again, guess again

Think I'm a bitchâ€¦ Think I'm a bitchâ€¦  
Think I'm a bitchâ€¦ Think I'm a bitchâ€¦  
Think I'm a bitchâ€¦ Think I'm a bitchâ€¦  
Think I'm a bitchâ€¦ You got that (Suicyco Mania)

We're putting inâ€¦ We're gonna deal it with yourâ€¦ I'm  
feeling lonelyâ€¦  
The rollers still got that (Suicyco Mania) You got that  
(Suicyco Mania)  
Go sit down (Suicyco Mania) We got that (Suicyco  
Mania)

If you don't know, if you don't know, you never never  
will
