Do you like to see your daughter  
Naked and scared, under a beast  
Salivas on her body, sperm on her lips  
Desperate, staring at a webcam  
Another way of incest  
Instiction has no limits  
Abuse whoever she is  
Entertain you for five minutes  
Couldn't they cope life  
Did they have no aim  
Is it a choice to be a prey  
Can't we see, or are we  
Merchants of misery  
Trap for the weak  
Spawns of hatred  
Downfall of humanity  
Sunken eyes spoke of his bitterness  
Begging for another shot to ease the pain  
Words're sounds, visions're nightmares  
Big price paid for being young and fool  
Names that have no meaning

Used as barcodes

Disposed of afters it's done

Trumperies lost in time

Couldn't they cope life

Did they have no aim

Is it a choice to be a prey

Can't we see, or are we

Merchants of misery

Trap for the weak.
