what do you say when your too fucked up
whatcha your girlfriend say when i smack that butt
what do you say when ya run outta drugs
and baby whatcha say when you bust a nut

LL.Cool J needed love like
dirt nasty need some drugs like
my baby dick needs a tug like right now
sohop that ass in the bath tub
what do i do when im too fucked up
cant keep it up cause her boob job sucks
and what does she do when i whip it out
close her eyes and open her mouth
i think i need a intervention
c-c-c-coke ,dope ,weed ,and then perscription
so listen up little children
dirt diggler you be ill
im feelin kinda drowsy
dont do drugs without me

what do you say when your too fucked up
whatcha girlfriend say when i smack that butt
what do you say when you run outta drugs
and baby whatcha say when you bust a nut

whatcha gonna do when you get too fated
and the date you with wanna get X rated
andre legacy i stay sedated
put me in the wheel chair and get me on the plane bitch
f-f-f-famous for bein obiaded
up in this club i fell asleep on the table
tip the waitress pinch the ass
i gace her my number
the kid's got pinnash lick on my stash
it ain't that easy livin this fast
forget to pass corn beef and hash
horny little bitches like to call me their dad
it ain't that bad put my dick in they mouth
and my nose in they coke bag

what do you say when your too fucked up
whatcha girlfriend say when i smack that butt

what do you say when you run outta drugs
and baby whatcha say when you bust a nut

what im gonna do when im all washed up
and that bitch that i like to fuck with wont come
i could try my luck with a penis pump
go get me some innervenis love
birds and bees and worms and slugs
turn to me or turn to drugs
word on the street is i stink like a bum
but its hard to take a shower when ya cant wake up
what do i do when there ain't none left
make a call to the pony express
garuntee 40 minutes or less
cops that only ??????????? but only bring the best
ever seen a bitch in the brand new dress
with a fat old man tryin to look all fresh
well i've been with the worst and the best
and i could n't even tell the difference

what do you say when your too fucked up
whatcha girlfriend say when i smack that butt
what do you say when you run outta drugs
and baby whatcha say when ya bust a nut
what do you say when your too fucked up
whatcha girlfriend say when i smack that butt
