Second verse: you have this:
Prejudice! our nation's
Biggest sickness
Is taking place before our very eyes
I'm just as guilty as the nexy and
That I'll try to change
Unfortunately, some aren't so
Easily persuaded so we....

Should be: I'm just as guilty as the next and...

Next verse: you have this:
This doesn't have to be a physical war
No!
Reverse the ignorance
To which we were born
And yes, this may become
A violent fight
And we may never win but no one
Cna ever say we didn't try
So we.....

Should be: and we may never win, but no one can ever
say we didn't try
