I beg your pardon I never promised you a rose garden
ran along with the sunshine there's gotta be a little rain
sometime.

When you take you gotta give so live and let live and let
go oh oh oh oh

I beg your pardon I never promised you a rose garden

I could promise you things like big diamond rings
but I don't find roses growin' on stalks of clover
so you better think it over.

When it's sweet talking you could make it come true
I would give you the world right now on a silver platter
but what would it matter.

So smile for a while and let's be jolly love shouldn't be
so melancholy
Come along and share the good times while we can.

I could sing you a tune and promise you the moon
but if that's what it takes to hold you I'd just as soon let
you go
but there's one thing I want you to know.
So look before you leap still waters run deep
and there won't always be someone to pull you out.
And you know what I'm talking about.

So smile for a while and let's be jolly love shouldn't be
so melancholy
Come along and share the good times while we can.
