You're the only one in the world that you care about
Makes me wanna run and hide my head
It's hard for me to tell you how I feel-
cause there's nothing real
Makes me wanna run and hide my head
God only knows what'll keep me alive
because everybody's turning 25
and I haven't got a word to say to you
Honor role when I was 13, head over heels when
someone kissed me When I needed someone
You weren't there
I'm sorry....
You know that you scare me when you act this way
Makes me wanna run and hide my head
It's hard for me to tell if you're serious- or if you're
joking
Makes me wanna run and hide my head
