Neatly polished up package - Do you think you have it  
Just a product dressed to impress  
Did you press a plastic abscess  
Is there anything left - Rhetoric uninspired theft  
It's all burning with nothingness - I'm so sick of your  
voices

Riot - Rebellion for sale  
Buy it - Devoid of anything real  
Riot - Rebellion for sale

The revolution will be telivised - Bought and sold and  
advertized  
Who's the real charlaton - The pusher man pushin - Or  
did the writer lie  
your validity nullified - Do you consume the con - Do  
you sing along?

Riot - Rebellion for sale  
Buy it - Devoid of anything real  
Riot - Rebellion for sale

Riot - Rebellion for sale  
Buy it - Devoid of anything real  
Riot - Rebellion for sale

I'm not for sale no - I'm not for sale no  
I'm not for sale no - These words aren't for sale no  
Everything is for sale - Everything is for sale -  
Everything is for sale

Riot - Rebellion for sale  
Buy it - Devoid of anything real  
Riot - Rebellion for sale

I'm not for sale no - I'm not for sale no  
I'm not for sale no - These words aren't for sale no

Everything is for sale - Everything is for sale -  
Everything is for sale  
Everything is for sale - Everything is for sale -  
Everything is for sale - This I know

Everything is for sale - Everything is for sale -  
Everything is for sale - This I know

But are you buying - Are you selling - That's the  
question  
Are you buying - Are you selling - That's the question  
I'm not buying - Into and - I'm not buying - Into this
