I'm not the same as I was when I was young - and  
neither are you  
There's been a lot of changes in the both of us you said  
you see that too  
I've wasted such a lot of time to find I was looking at  
the wrong things  
If its an apology you're waiting for, you could wait a  
long TIME

I've wasted such a long time  
Just to feel like a Zero  
Life really sucks ya know when ya  
Yeah feel like a Zero  
I've wasted such a long time too  
Just to feel like a Zero

You're not the only one who's held me in You said I  
broke your heart  
It would've been the the other way around when I was  
young  
but sooner or later we've all got to grow up  
I dont know if I should tell you how I'm feeling  
chances are you're laughing at me and tell me that I  
dont know  
What I'm saying.... It's not my fault
