If you would just be sensible...you'd find me
indispensable
I pray deep down to destiny
that it places you with me....
whoa...wanting you here...in the sheets
Wandrin' around incomplete.....
Waiting so long....To

Chorus:

Feel it again (feel it again)
I thought that this heart would never mend
To feel it again I know this is the living end
To feel it again (feel it again)
I thought that this heart would never mend
To feel it again I know this is the living end

Another scratched or scribbled note
to handsome men in overcoat
Deception right in front of me
A jealous fantasy...
whoa...something that sets you apart...
tightens your grip on my heart...
Don't ever let it go....
'Till I

Repeat Chorus

Bridge:

All that I know (to feel it again)
is people may come and people may go
I don't really care (to feel it again)
as long as you're there
as long as you're there

(solo)

Repeat Chorus
