Mickey Gilley
"Back In The Doo-Wah Days"

Back in the doo-wah days, we had a ball
Nights on the boardwalk, we had it all
And time to shift away
Back in the doo-wah days.

Doo-wah, doo-wah, doo-wah, wahhh.

Back in the doo-wah days when we were young
Life was a cerosel, we feel in love
And time to shift away
Back in the doo-wah days.

Doo-wah, doo-wah, doo-wah, wahhh.

Be bop a lou, peggy sue
Those songs bring back old memoeies
Be bop she wow, sha na, na, na
Those words mean so much to me.

Back in the doo wah days you held me tight
You never let me go, it still feels so right
It's just as good today
Back in the doo-wah days

Doo-wah, doo-wah, doo-wah, wahhh.

--- Sax / Piasno Instrumental ---

Back in the doo-wah days, we had a ball
Nights on the boardwalk, we had it all
And time to sift away
Back in the doo-wah days

Doo-wah, doo-wah, doo-wah, wahhh.

Back in the doo-wah days, we had a ball
Nights on the boardwalk, we had it all
And time to sift away
Back in the doo-wah days.

Doo-wah, doo-wah, doo-wah, wahhh.
Back in the doo-wah days.

Doo-wah, doo-wah, doo-wah, wahhh.
Back in the doo-wah days…
