I'll have a blue, blue Christmas without you,
I'll be so blue thinking about you.
Decorations of red
On a green Christmas tree
They won't mean a thing dear
If you're not here with me.

I'll have a blue, blue Christmas, that's certain,
And when that blue, blue heartache starts hurting,
You'll be doing all right
With your Christmas of white,
But I'll have a blue, blue, blue Christmas.

(All right guys let's play some blues Instrumental)

I'll have a blue, blue Christmas, that's certain,
And when that blue, blue heartache starts hurting,
You'll be doing all right
With your Christmas of white,
I'll have, have a blue, blue, blue, blue Christmas.

(Okay Santa let's take it home Instrumental)

I'll have a blue, blue Christmas...
