Chains of love have tied my heart to you
Chains of love have made me feel so blue
Well, now I'm your prisoner
Tell me what you're gonna do.

Are you gonna leave me are you gonna make me cry
Are you gonna leave me are you gonna make me cry
These chains are gonna haunt me
Until the day I die.

Well, if you're gonna leave me, please won't you set
me free
Well, if you're gonna leave me, please won't set me
free
I can't bear these chains that bind me
Unless you're here with me.

Well, it's three o'clock in the morning, the moon is
shining bright
Yes, it's three o'clock in the morning, the moon is
shining bright
I just sit and wonder
Where can you be tonight?...
