(Curly Putman - Bucky Jones)

Of all the people in the world, why you and I  
And with lovers here and everywhere we don't care  
enough to try  
Why couldn't all the hurt we're feeling now have  
passed us by  
Couldn't love have picked a better place to die?

And of all the hearts in all the world, why yours and  
mine  
There's so many places love could die, we must leave  
the earth to find  
But it's in our hearts and it's in our bed and it's even,  
even in your eyes  
Couldn't love have picked a better place to die?

Somewhere out there there's lovers who want to be  
free  
Why couldn't love have died with them instead of here  
with you and me  
But it's dead and gone all these tears won't bring it  
back to life  
Couldn't love have picked a better place to die?

--- Instrumental ---

Couldn't love have picked a better place to die?

Couldn't love have picked a better place to die?...
