Don't be angry with me darling, if I fail to understand  
All your little whims and wishes all the time  
Just remember that I'm dumb I guess like any foolish  
man  
And my head stays sorta foggy 'cause you're mine.

Well, I recall the first time I flirted with you dear  
When I jokingly said come and be my bride  
Now that time has turned the pages it's the sweetest  
joke on earth  
That I have you here forever by my side.

--- Instrumental ---

Maybe someday you're gonna hurt me, I've been hurt  
in love before  
Only God can know and time alone will tell  
Well, in the mean time I'll keep loving you with all my  
heart and soul  
And pray God to let it last and be his will.

So don't be angry with me darling if I fail to understand  
All your little whims and wishes all the time  
Just remember that I'm dumb I guess like any foolish  
man  
And my head stays sorta foggy 'cause you're mine...
