Five foot two,
Eyes of blue
Oh, what those five feet can do
Has any body seen my gal?

Tootsie woo, tootsie coo
Tootsie, tootsie, tootsi woo
Any body seen my gal?

Well, if you run into a five foot two,
Covered with fur,
Diamond ring and other things,
Bethcha life it isn't her.

Tootsie woo, tootsie coo
Tootsie, tootsie, tootsi woo
Any body seen my gal?

--- Instrumental ---

Five foot two,
Eyes of blue
What those five feet can do
Has any body seen my gal?

Tootsie woo, tootsie coo
Tootsie, tootsie, tootsi woo
Any body seen my gal?

Well, if you run into a five foot two,
Covered with fur,
Diamond ring and other things,
Bethcha life it isn't her.

Tootsie woo, tootsie coo
Tootsie, tootsie, tootsi woo
Any body seen my gal?

Any body seen my gal?...
