Here comes that hurt again  
You'd think I'd learn  
The more that I believe in love  
The more I get burned.

I'm lying right here again  
So close to the flame  
Here comes that hurt again  
But I'm used to the pain.

I wanna say I love you  
But this is not the time  
And even though I'm holding you  
God, I know he's still on your mind.

Someone else to hind in  
Behind your simple smile  
Now I've been hurt like this before  
Honey, not in quite a while.

Here comes that hurt again  
You'd think I'd learn  
The more that I believe in love  
The more I get burned.

I'm lying right here again  
So close to the flame  
Here comes the hurt again  
But I'm used to the pain.

Here comes the hurt again  
But I'm used to the pain...
