I love you because you always understand, dear
Every single thing I try to do
You're always there to lend a helpin' hand, dear
But most of all I love you 'cause you're you.

No matter what the world may say about me
I know your love will always see me through
I love you 'cause you never, never doubt me
Ah, but most of all I love you 'cause you're you.

--- Instrumental ---

No matter what may be the style or season
I know your heart it will always, always be true
I love you for a hundred thousand reasons
But most of all I love you because you're you.

Yes, most of all I love you because you're you...
