I've got a never ending love for you  
From now on that's all I wanna do  
From the first time we met I knew  
I'd have a never ending love for you.

I have a never ending love for you  
From now on that's all I wanna do  
From the first time we met I knew  
I'd have a never ending love for you.

After all this time of being alone  
We can love one another  
Feel for each other, from now on  
It's so good I can hardly stand it.

A never ending love for you  
From now on that's all I wanna do  
From the first time we met I knew  
I'd have a never ending song of love song to you.

--- Instrumental ---

After all this time of being alone  
We can love one another  
Feel for each other, from now on  
It's so good I can hardly stand it.

A never ending love for you  
From now on that's all I wanna do  
From the first time we met I knew  
I'd sing my never ending song of love to you.

I have a never ending love for you...
