Honestly, I can't believe the magic you do
Never seen anything as lovely as you
I was so afraid
I was so alone an' blue
I took you in my arms
Now I'm goin' home with you.

I'm gonna wake up in your arms tomorrow
You gonna make it the night of my life
I'm gonna wake up in your arms tomorrow
Thank you for takin' me to paradise tonight.

--- Instrumental ---

I was so afraid
I was so alone an' blue
An' I took you in my arms
Now I'm goin' home with you.

I'm gonna wake up in your arms tomorrow
You gonna make it the night of my life
I'm gonna wake up in your arms tomorrow
Thank you for takin' me to paradise tonight.

Ooh, so this is paradise
Ooh, so this is paradise
Paradise all night.

I'm gonna wake up in your arms tomorrow
You gonna make it the night of my life
I'm gonna wake up in your arms tomorrow
Thank you for takin' me to paradise tonight.

Ooh, so this is paradise
Ooh, so this is paradise
Paradise all night.

I'm gonna wake up in your arms tomorrow
You gonna make it the night of my life
I'm gonna wake up in your arms tomorrow
Thank you for takin' me to paradise tonight...

--- Instrumental to fade ---
