(Bobby Austin - Curt Sapaugh)

If you see your brother standing by the road
With a heavy load from the seeds he sowed
And if you see your sister falling by the way
Just stop and say you're goin' the wrong way.

You've got to try a little kindness, show a little kindness
Shine your light for everyone to see
And if you'll try a little kindness you'll overlook the
blindness
Of the narrow minded people on the narrow minded
streets.

--- Instrumental ---

Don't walk around the down and out
Lend a helping hand instead of doubt
And the kindness that you show every day
It will help someone along their way.

You've got to try a little kindness, show a little kindness
Shine your light for everyone to see
And if you'll try a little kindness you'll overlook the
blindness
Of the narrow minded people on the narrow minded
streets.

You've got to try a little kindness, show a little kindness
Shine your light for everyone to see
And if you'll try a little kindness you'll overlook the
blindness
Of the narrow minded people on the narrow minded
streets...
