(Sandy Seamons - Kaye Savage)

Walk through this world with me, go where I go
Share all my dreams with me, darling, I need you so
In life we search and some of us find
I've looked for you my love such a long, long time.

And now that I've found you
New horizons I see
Come take my hand my love
And walk through this world with me.

--- Instrumental ---

Walk through this world with me, go where I go
Share all my dreams with me,, darling, I need you so
And now that I've found you, new horizons I see
Come take my hand my love
And walk through this world with me...
