Wasted days and wasted nights  
I have left for you behind  
For you don't belong to me  
Your heart belongs to someone else.

Why should I keep loving you  
When I know that you're not true  
And why should I call you name  
When you're the blame for making me blue,

Don't you remember the day  
That you went away and left me  
I was so lonely  
Prayed for you only, my love.

Why should I keep loving you  
When I know that you're not true  
And why should I call you name  
When you're the blame for making me blue,

Don't you remember the day  
That you went away and left me  
I was so lonely  
Prayed for you only, my love.

Why should I keep loving you  
When I know that you're not true  
And why should I call you name  
When you're the blame for making me blue...
