You give your hand to me  
And then you say, "Hello."  
And I can hardly speak  
My heart is beating so.  
And anyone can tell  
You think you know me well  
But you don't know me.

No you don't know the one  
Who dreams of you at night  
And longs to kiss your lips  
And longs to hold you tight.  
To you I'm just a friend  
That's all I've ever been  
You don't know me

Chorus:

For I never knew the art of making love  
Though my heart aches with love for you  
Afraid and shy I let my chance go by  
The chance that you might love me too.

You give your hand to me  
And then you say goodbye  
I watch you walk away  
Beside that lucky guy  
You'll never, never know  
The one that loves you so  
You don't know me.

Chorus:

I never knew the art of making love  
Though my heart aches with love for you  
Afraid and shy I let my chance go by  
The chance that you might have loved me too.

You give your hand to me  
And then you say goodbye  
I watch you walk away  
Beside that lucky guy  
You'll never, never know  
The one that loves you so

You don't know me.

You'll never, never know  
The one that loves you so  
You don't know me...
