Wait  
How long would you wait?  
Just for me to call  
I know you make mistakes, yeah, but  
I hope some day you have it all

Cause I feel like a prisoner  
Trapped inside this broken world  
While I'm playing the victim again  
Running in circles  
To me it's all the same  
And though nothing's gonna change, still  
I hope someday you have it all

Take this aggravation  
That I've thrown myself into  
Change this situation  
Just cause I need something new

And still I feel like a prisoner  
Trapped inside this broken world  
While I'm playing the victim again  
Running in circles  
To me it's all the same  
And though nothing's gonna change, still  
I hope someday you have it all

I hope someday you have it all

If we could all depend  
On what we know  
If you could understand  
I'm losing control  
That I'm losing control  
That I'm losing control  
That I'm losing control
