Got my back against the wall
Try to scream, there's no sound at all
I'm stuck with nowhere to turn
But I'm trying

Trying hard not to be the one
Left behind to become undone
You can't stop what's already begun
Hear the down and out

I'm not giving up, I won't let go
'Cause I am here till I'm gone
This time I've had enough, I'm on my own
But I am back where I belong

You stand closer but you're far away
Seems like it's farther everyday
The feelings never go away
But I'm trying

At the end of a losing race
Time passes me without a trace
Trying hard just to find a place
Now that I'm onto you

I'm not giving up, I won't let go
'Cause I am here till I'm gone
This time I've had enough, I'm on my own
But I am back where I belong

Memories, they hold a place
Just in time to go to waste
And they all become replaced

I'm not giving up, I won't let go
'Cause I am back where I belong

I'm not giving up, I won't let go
'Cause I am here till I'm gone
This time I've had enough, I'm on my own
But I am back where I belong
