It's so hard to say that I'm sorry
I'll make everything alright
All these things that I've done
Now what have I become and where'd I go wrong?

I don't mean to hurt, just to put you first
I won't tell you lies
(I'm sorry)
I will stand accused with my hand on my heart
I'm just trying to say

I'm sorry, it's all that I can say
You mean so much
And I'd fix all that I've done if I could start again
I'd throw it all away to the shadows of regrets
And you would have the best of me

I know that I can't take
Back all of the mistakes but I will try
Although its not easy
I know you believe me 'cause I would not lie

Don't believe their lies told from jealous eyes
They don't understand
(I'm sorry)
I will break your heart, I will bring you down
But I will have to say

I'm sorry, it's all that I can say
You mean so much
And I'd fix all that I've done if I could start again
I'd throw it all away to the shadows of regrets
And you would have the best of me

I'm sorry, it's all that I can say
You mean so much
And I'd fix all that I've done if I could start again
I'd throw it all away to the shadows of regrets
And you would have the best of me
