Storming through the party like my name was El Nino  
When I'm handgun out drinking in the back of an El  
camino

As a kid, I was a skid and no one knew me by name.  
I trashed my own house party cause nobody came.

I know I'm not the one you thought you knew back in  
high school

Neve going, never showing up when we had to.  
It's attention that we crave, don't tell us to behave,  
I'm sick of always hearing act your age.

I don't want to waste my time,  
become another casualty of society,  
I'll never fall in line,  
become another victim of your conformity  
And back down.

Be-cause-you-don't  
Know us at all we laugh when old people fall.  
But what would you expect with a conscience so small?  
Heavy metal and mullets, it's how we were raised.  
Maiden and priest were the gods that we praised.

Cause, we like having fun at other people's expense  
and,  
Cutting people down is just a minor offence then,  
it's none of your concern, I'll guess I'll never learn.  
I'm sick of being told to wait my turn.

i don't want to waste my time  
Become another casualty of society.  
I'll never fall in line  
Become another victim of your conformity  
And back down.

Don't count on me, to let you know when.  
Don't count on me, I'll do it again.  
Don't count on me, it's the point your missing.  
Don't count on me, cause I'm not listening.

Well, I'm a no good knick lower middle class kid,  
Backpacked and I don't give a sh\*t about nothing.  
You'll be standing on the corner talking all that  
kufuffin,  
But you don't make sense from all that gas you be  
huffing.  
Then, if the egg don't stain you'll be ringing off the  
hook,  
You're on the hit list wanted in the telephone book.  
I like songs with distortion, to drink in proportion.  
The doctor said my mom should of had an abortion.

I don't want to waste my time,  
Become another casualty of society.  
I'll never fall in line,  
Become another victim of your conformity  
And back down.  
Waste my time with them,  
Casualty of society.  
Waste my time again,  
Victim of your conformity,  
And back down
