Never made it as a wise man, I couldn't cut it as a poor
man stealing

Tired of living like a blind man, I'm sick of sight
Without a sense of feeling and this is how you remind
me

This is how you remind me of what I really am
This is how you remind me of what I really am

It's not like you to say sorry, I was waiting on a different
story

This time I'm mistaken for giving you a heart worth
breaking

And I've been wrong, I've been down to the bottom of
every bottle

These five words in my head scream, "Are we having
fun yet?"

Yeah, yeah, yeah, no, no

Yeah, yeah, yeah, no, no

It's not like you didn't know that, I said I hate you and I
swear I still do

It must have been so bad living with me

Must have damn near killed you

And this is how you remind me of what I really am

This is how you remind me of what I really am

It's not like you to say sorry, I was waiting on a different
story

This time I'm mistaken for giving you a heart worth
breaking

And I've been wrong, I've been down to the bottom of
every bottle

These five words in my head scream, "Are we having
fun yet?"

Yeah, yeah, yeah, no, no

Yeah, yeah, yeah, no, no

Yeah, yeah, yeah, no, no

yeah, yeah, yeah

Never made it as a wise man, I couldn't cut it as a poor

man stealing
Tired of living like a blind man, I'm sick of sight
Without a sense of feeling and this is how you remind
me
This is how you remind me, of what I really am
This is how you remind me, of what I really am

It's not like you to say sorry, I was waiting on a different
story
This time I'm mistaken for handing you a heart worth
breaking
And I've been wrong, I've been down to the bottom of
every bottle
These five words in my head scream, "Are we having
fun yet?"

Yeah, yeah, are we having fun yet?
Yeah, yeah, are we having fun yet?
Yeah, yeah, yeah, yeah
