The faster we're falling, we're stopping and stalling  
We're running in circles again  
Just as things we're looking up  
You said it wasn't good enough but still we're trying  
one more time

Maybe we're just trying too hard  
When really it's closer than it is too far

'Cause I'm in too deep, and I'm trying to keep  
Up above in my head, instead of going under  
'Cause I'm in too deep, and I'm trying to keep  
Up above in my head, instead of going under  
Instead of going under

Seems like each time, I'm with you I lose my mind  
Because I'm bending over backwards to relate  
It's one thing to complain but when you're driving me  
insane  
Well, then I think it's time that we took a break

Maybe we're just trying too hard  
When really it's closer than it is too far

'Cause I'm in too deep, and I'm trying to keep  
Up above in my head, instead of going under  
'Cause I'm in too deep, and I'm trying to keep  
Up above in my head, instead of going under  
Instead of going under  
(Instead of going under)  
Instead of going under  
(Instead of going under)

I can't sit back and wonder why  
It took so long for this to die and I hate it when you fake  
it  
You can't hide it you might as well embrace it  
So believe me it's not easy, it seems that something's  
telling me

I'm in too deep, and I'm trying to keep  
Up above in my head, instead of going under

'Cause I'm in too deep, and I'm trying to keep  
Up above in my head, instead of going under  
Instead of going under  
Instead of going under again  
Instead of going under  
Instead of going under again  
Instead of going under again  
(Instead of going under again)
