The faster we're falling, we're stopping and stalling
We're running in circles again
Just as things we're looking up
You said it wasn't good enough but still we're trying
one more time

Maybe we're just trying too hard
When really it's closer than it is too far

'Cause I'm in too deep, and I'm trying to keep
Up above in my head, instead of going under
'Cause I'm in too deep, and I'm trying to keep
Up above in my head, instead of going under
Instead of going under

Seems like each time, I'm with you I lose my mind
Because I'm bending over backwards to relate
It's one thing to complain but when you're driving me
insane
Well, then I think it's time that we took a break

Maybe we're just trying too hard
When really it's closer than it is too far

'Cause I'm in too deep, and I'm trying to keep
Up above in my head, instead of going under
'Cause I'm in too deep, and I'm trying to keep
Up above in my head, instead of going under
Instead of going under
(Instead of going under)
Instead of going under
(Instead of going under)

I can't sit back and wonder why
It took so long for this to die and I hate it when you fake
it
You can't hide it you might as well embrace it
So believe me it's not easy, it seems that something's
telling me

I'm in too deep, and I'm trying to keep
Up above in my head, instead of going under

'Cause I'm in too deep, and I'm trying to keep
Up above in my head, instead of going under
Instead of going under
Instead of going under again
Instead of going under
Instead of going under again
Instead of going under again
(Instead of going under again)
