We're faster, we're falling  
We're stopping and stalling  
We're running in circles again  
Just as thing were looking up you said it wasn't good  
enough  
But still we're trying one more time

Maybe we're just trying to hard, when really it's closer  
than it is too far

'Cause i'm in too deep, and i'm trying to keep  
Up above, in my head  
Instead of going under  
'Cause i'm in too deep, and i'm trying to keep  
Up above, in my head  
Instead of going under  
Instead of going under

Seams like each time it meet you i lose my mind,  
Because i'm bending over backwards to be late  
Its one thing to complain but when your driving me  
insane  
Well then i think it's time that we took a break

Mabey we're just trying to hard, when really it's closer  
than it is too far

'Cause i'm in too deep, and i'm trying to keep  
Up above, in my head  
Instead of going under  
'Cause i'm in too deep, and i'm trying to keep  
Up above, in my head  
Instead of going under(x3)

I can't sit back and wonder why, it took so long for this  
to die  
And i hate, when you fake it  
You can't hide it you might as well embrace it  
So believe me, it's not easy  
It seems that somethings telling me...

'Cause i'm in too deep, and i'm trying to keep  
Up above, in my head  
Instead of going under  
'Cause i'm in too deep, and i'm trying to keep  
Up above, in my head  
Instead of going under  
Instead of going under again  
Instead of going under  
Instead of going under again  
Instead of going under again  
Again, again
