What happened to you
You played the victim for so long now in this game
What I thought was true
Is made of fiction and I'm following the same

But if I try to make sense of this mess I'm in
I'm not sure where I should begin
I'm fallin'
I'm fallin'

Now I'm in over my head
With something I said
Completely misread
I'm better off dead

And now I can see
How fake you can be
This hypocrisy is beginning to get to me

It's none of my concern
Why look at me
Cause I don't believe in fame
I guess you never heard
I met the makers
They don't even know your name

But if I had to say goodbye to leave this hell
I'd say my time has served me well
I'm fallin'
I'm fallin'

[Chorus]

This came long before
Those who suffer more
I'm too awake for this to be a nightmare

What's with my disgrace
I lost the human race
No one plans for it to blow up in their face

Who said it was easy to put back all these pieces

Who said it was so easy to put back all of these pieces

[Chorus]

Over my head
Better off dead

Over my head
Better off dead

ALRIGHT!
