All right boys, are you ready? Here it comes let's go
Reign in pain, come on were gonna reign in pain
Reign in pain, come on were gonna reign in pain

Get ready we're coming for you
We're gonna make our way to your town
Prepare for this evil affair by letting everyone around
Realize you'll be deionized
We're gonna make sure you get stung
Don't stop we're about to to rock brink
Your converse shoes with maxi-pad tongues, yeah

Your future's looking grim let's bathe in sin
If your looking for a show you'll see
We've got a heavy metal jamboree
It's not so nice but we got your vice

If you're looking for debauchery
We got a heavy metal jamboree
Reign in pain, come on were gonna reign in pain
Reign in pain, come on were gonna reign in pain

Come with me I can guarantee you can loan your soul
to us
Understand we're a trusted brand our metal never
rusts
We're proud we play our music loud
Coming through a Marshall stack
Look mean when our haircuts scream
Business in the front and party in the back,ouch

Your future's looking grim let's bathe in sin
If your looking for a show you'll see
We've got a heavy metal jamboree
It's not so nice but we've got your vice

If you're looking for debauchery
We got a heavy metal jamboree
Reign in pain, come on were gonna reign in pain
Reign in pain, come on were gonna reign in pain

Reign, reign, reign, reign

Reign in pain, come on were gonna reign in
Reign, reign, reign, reign
Reign in pain, reign in pain
