I'm not quiet myself these days
Guess we all come undone
time to time in different ways well,
I have myself to blame.
Guess I don't understand, I need help anyways.

[Riff]

God's got no plans for me
Well I'm gonna tell you one thing:
I don't got the patience, all the time!
What can I say?
I'm no angel,
I'm not forsaken,
But I can bleed!

Tear me open I believe
God will send the one to bleed!
And no one can deceive,
what it's meant to an
Bloody Murder we will scream!

Well I guess it's time for me
Tell me what I'm left to believe in?
'Cause I don't know the concept
Of the pain

I don't want the fate
I'm just loosing

I can't prove it,
Watch me bleed!

Tear me open I believe
God will send the one to bleed!
And no one can deceive,
what it's meant to an
Bloody Murder we will scream!
God will send the one to tear me open!

[Riff]

'Cause I'm
Not Giving Up
Your self control!
Suffocate to the plug
I'm my
Worst Enemy
Who can't be saved
I'm Just his disgrace

Tear me open I believe
God will send the one to bleed!
And no one can deceive,
what it's meant to an
Bloody Murder we will scream!
God will send the one to tear me open!

These days are strange it's true.
There's nothing I'd change,
no mistakes that I'd undo.
