So am I still waiting for this world to stop hating.
Can't find a good reason, can't find hope to believe in.

Drop dead a bullet to my head
Your words are like a gun in hand.
You can't change the state of the nation
we just need some motivation.
These eyes have seen no conviction,
just lies and more contradiction.

So tell me what would you say,
I'd say it's time... too late.

So am I still waiting for this world to stop hating.
Can't find a good reason, can't find hope to believe in

Ignorance in understanding.
We're the first ones to jump in line.
Out of step for what we believe in
But who's left to stop the bleeding.
How far will we take this.
It's not hard to see through the thickness.

So tell me what would you say,
I'd say it's time... too late.

So am I still waiting for this world to stop hating.
Can't find a good reason, can't find hope to believe

This can't last forever
time won't make things better
I feel so alone,
can't help myself
no one knows if this is worthless
tell me.

What have we done we're in a war that can't be won.
This can't be real cause I don't know what to feel.

So am I still waiting for this world to stop hating.
Can't find a good reason, can't find hope to believe

So am I still waiting for this world to stop hating.
Can't find a good reason, can't find hope to believe.
