So am I still waiting  
For this world to stop hating?  
Can't find a good reason  
Can't find hope to believe in

Drop dead a bullet to my head  
Your words are like a gun in hand  
You can't change the state of the nation  
We just need some motivation

These eyes have seen no conviction  
Just lies and more contradiction  
So tell me what would you say  
I'd say it's up to us

So am I still waiting  
For this world to stop hating?  
Can't find a good reason  
Can't find hope to believe in

Ignorance and understanding  
We're the first ones to jump in line  
Outta step for what we believe in  
But who's left to stop the bleeding

How far will we take this?  
It's not hard to see through the fakeness  
So tell me what would you say  
I'd say it's up to us

So am I still waiting  
For this world to stop hating?  
Can't find a good reason  
Can't find hope to believe

This can't last forever  
Time won't make things better  
I feel so alone can't help myself  
And no one knows  
That this, it's worthless to me, so

What have we done

With a war that can't be won?  
This can't be real  
'Cause I don't know what to feel

So am I still waiting  
For this world to stop hating?  
Can't find a good reason  
Can't find hope to believe

So am I still waiting  
For this world to stop hating?  
Can't find a good reason  
For this world to believe
