Stormin thru the party like my name was El Nino  
When i'm a hanging out , drinkin in the back of an El  
Camino

As a kid, was a skid,  
and no one knew me by name  
Trashed my own house party  
cause nobody came

I know im not the one you thought you knew back in  
high school

Never go never showing up where we had to  
It's attention that we crave  
Dont tell us to behave  
I'm sick of always hearing "Act your age"

CHORUS:

I don't wanna waste my time,  
Become another casualty of society  
I'll never fall in line,  
become another victim of your conformity  
And back down...

Be-cause-you-dont  
Know us at all, we laugh when old people fall  
But what would you expect with a concience so small  
Heavy metal and mullets is how we were raised  
Maiden and Priest were the gods that we praised

Cause we like having fun at other peoples expense and  
And bringin people down is just a minor offence then  
It's none of your concern  
I guess we'll never learn  
I'm sick of being told to "Wait my turn"

CHORUS:

I dont wanna waste my time,  
Become another casualty of society  
I'll never fall in line,  
Become another victim of your conformity  
And back down...

Dont count on me  
To let you know and  
Dont count on me  
I'll do it again  
Dont count on me  
It's the point your missin'  
Dont count on me  
Cause i'm not listening

Well i'm a  
No goodnick middle class brat  
Back packed and i dont give an shit about nothing  
you be Sittin on my corner talkin all that kuffufing  
Well you dont make sense with all the gas you'll be  
huffing  
caus if the egg dont stain, phone be ringing off the  
hook  
Your on the hit list, wanted in the telephone book  
I like the songs with distortion  
I'm drinking in proportion  
The doctor said my mom should have had an  
abortion...(echo)

CHORUS:

I don't wanna waste my time,  
Become another casualty of society  
I'll never fall in line,  
Become another victim of your conformity  
And back down-

Waste my time with them-  
Casualty of society  
Waste my time with them-  
Victim of your conformity  
And back down
