oh baby  
when i look to your eyes it feels good to me  
any thing like paradise like fantasy  
baby you're my angel  
my gotting angel

oh memories  
i feel it in heart i feel it in my soul  
we ever fall appart don't let me go  
baby you're my angel  
and i know it's time we'll show

(chorrus)  
take me tonight anything is possible  
time is on my side the world is beautiful  
i'll take my chance my dreams are coming true  
tell me your mind oh baby don't make me blue  
and i know for sure i will never let you go

oh baby if you can't be loved just let me be your friend  
take me on your lonely amrs don't let it is  
baby you're my angel  
my gotting angel

if you ever miss me darling i'll take care  
you're allways in my heart baby i swear  
baby you're my angel  
and i know it's time we'll show

(chorrus) x 2
