[Originally by Elvis Presley]

Well, that's alright, Mama.  
That's alright with you.  
Yeah, that's alright now, Mama.  
Just anyway you do.  
That's alright, that's alright,  
that's alright my Mama, anyway you do.

Can you feel me?  
I feel you, do you feel me?

Everybody, can you hear me now? hey!

Everybody, can you hear me now? hey!  
Everybody, can you hear me now? hey!  
Everybody, can you hear me now? hey!  
Everybody, can you hear me now? hey!  
Everybody, can you hear me now? hey!  
Everybody, can you hear me now? hey!  
Say hey hey hey hey!
